August Highlights on WPFW 89.3 FM

Jonathan Jackson

— Manchild Monday, August 7

"Manchild, black beautiful manchild, submachine gun in hand, he was free for a while...I guess that's more than most of us can expect..."

George Jackson on the death of his brother
Jonathan Jackson

We remember

the Dragon George Jackson Monday, August 21

As WPFW examines the prisons and prisoners of this country, a day will be devoted in tribute to a fallen comrade, George Jackson. He called himself the dragon; his flames touched army of us and scorched the unrighteous as he passed through our lives.

It's A New Era !!!!!! Saturday, August 26

Sophie's Parlor Media Collective and the women of WPFW with the help of local women's organizations, present this day of women's programming the day that was declared Women's Equality Day in 1976. You'll hear programs about issues affecting women, both here and abroad, as well as music and cultural programs by and for women. Stay tuned all day and don't forget... Era is not far away...because there's going to be a new ERA!!!

Saxophila Throughout the Month

Throughout the month of August, the Music Department will celebrate the birthdays of four of the most respected saxophonists in the history of jazz.

Benny Carter, alto saxophonist, composer-arranger, player of trumpet, tenor sax and clarinet, is respected here and abroad. Tune in Aug. 8: part one, 7:30 AM to 10:00AM, part two 8:30 PM to 10:00PM.

Wayne Shorter was once billed as the most promising saxophone player in modern jazz. Listen in on Aug. 25, at 8:30PM.

Lester Young, a master of the tenor sax was significant in the move from hot to cool jazz. Cool off on Aug. 27, at 7:30PM.

Bird Lives - WPFW presents its second annual tribute to Charlie "Bird" Parker. His music "Bebop" had a profound effect on all music that came after him. Who says it sounds like "Chinese Music"? Though Charlie Parker has passed, his melodies and harmonies weave a web that can't be broken, forgotten or ignored. As long as a saxophone wails...BIRD LIVES. Midnite Aug. 28 to midnite Aug. 29.

Monthly Focus Throughout the Month

During the month of August we will be focusing on the questions of prisons and political prisoners in America. Andy Young was correct when he stated that this country has political prisoners. The question is, why did it take until 1978 for someone in the government to make that admission? Pacifica has been broadcasting programs about political prisoners since 1947. We will take you into the past with programs on Attica, San Quentin, the Tombs, Soledad, the Alderson women's riots; you will hear the voices of political prisoners: Ruchell Magee, Ben Chavis, Lolita Lebron, Geronimo Pratt, Joanne Little and the Justice Brothers. A new weekly program dealing with prisons and prisoner issues will make its debut onto our airwaves, INSIDE/OUTSIDE, each Thursday evening at 10:00PM.

Report to the Listeners

As we go to press there is no word I can give you on the signing of our lease on the new facility at 7th and H St. NW, but it should happen within the next few days...so we are on our way into the new space. Dates of the move, cleanup and House warming will be announced on the air during Reports To The Listener on Monday nights at 9:30PM... its new time. As a result of the Supreme Court's Carlin decision, we are changing the airtime of those programs which might contain sensitive language to 10:00PM, instead of 9:00PM. The programs affected by the decision are; FRIENDS, THE POET AND THE POEM, and SCIENCE FICTION THEATRE. Archive programs which contain sensitive language will have to be edited before they can be aired in the afternoon. We are sorry to announce the demise of FRENCHIES FORUM, or SHAVE FACE as it is now called and would like to thank Michael Lesesne, the program's originator and Wayne Middleton, who carried the program when Frenchie left, for having brightened the airwaves with the humor of Lenny Bruce, Richard Pryor, George Carlin, Lily Tomlin, Mom's Mabley and the scads of other humorists we have aired. We are now in the position where we cannot air the program, even at 12:30AM, because we have no idea whether or not the station will be fined or have its license removed for doing so. Those of you who are interested in the results of the decision and feel that broadcasting should not be censored are free to protest the decision or make your views known, pro or con to the FCC, in hopes that the Federal Communications Commission will issue some guidelines for us to follow.

GOOD NEWS...Both Ron Sutton and Mel Jasper will be back on our air waves this month in the new time slot for jazz opened up by the programming changes...welcome back to two old friends!

BAD NEWS...Folks are not paying their pledges fast enough and the cash flow this summer has been really slow, so sit under air-conditioner and write those checks folks...it must be the heat that's slowed you down, but if we don't get an infusion of cash, the station will die of heat exhaustion.

That's all for now...keep your criticisms, comments and suggestions coming in,

Denise Oliver

Subscriptions

THE MOST ANSWERED ANSWER

The computer that WPFW uses is located in Berkeley, Cal. We send subscription information to California on or about the 10th of every month and California, in return, sends program labels, bills, renewal letter labels and income statements on or around the 25th of the month so we have time to send the info to the mailing house so you can get your program guide a.s.a.p.

SO - if you send us your check or change of address or whatever before the 10th of the month, you will be included in the LARGE box that we send to the keypunchers and computer operators in California.

BUT - if you send us your information that you would like the computer to print out after the 10th of the month, the machinery will not know for about a month. EXCEPTION: we sometimes

send additional boxes of info to California when the necessity arises. Your program guide will not start (or continue) until 6 weeks later and you will have another bill generated several days after you've paid it (and mailed to you a week or two later). At that time you may want to call and perhaps we can explain further the system that we use.

SO - if you have a problem, call us. We have included in the system a three program guide grace period so you won't get cheated.

THE MOST REQUESTED REQUEST

Please always send a bill, a copy of a bill, a piece of paper with name, address, ZIP CODE (no zip code no program guide) with your check, money order, pennies, etc. A \$15 payment, for instance, might be credited as a straight donation or a renewal or a new subscription or, if there was just a marathon, credited to it. If we do not get the correct info from you this could happen. So it is also very important that you include the date (approx.) that you pledged! So always send a bill or a renewal notice or even a letter of explanation. ALSO, please be careful about different names and addresses on your checks-letters-forms and be sure to indicate who you are and where you live now.

MOVING

The program guide will NOT follow you automatically when you move. It will be returned to us with 25¢ postage due. We will try to pay as many 25 cent-ers as possible and change your address in our files, but probably not in time for the next guide or even the one after. There is much time and paper work involved. So if you do not want to be excluded, fill out the change of address form included in each program guide. Advance notice saves money and keeps everyone happy.

PROGRAM GUIDE? WHAT PROGRAM GUIDE? HAS ANYONE SEEN MY PROGRAM GUIDE???

The program guide is usually mailed out around the 25th of the month. If you have not received yours by the first of the month: 1) don't panic, have patience 2) check your subscription expiration date on previous program guide label-upper right hand corner of label 3) make sure you have not moved without notifying us 4) if you haven't moved and are currently enrolled as a subscriber contact your local postmaster about delivery 5) send us the previous program guide label with an explanatory note or call for a new guide to be sent out to you.
